

YOUR TRUSTED PARTNERS IN PROTECTION

iES Security:

**tailored security and facility
management solutions for
complete peace of mind**

Protecting What Matters Most

**At iES Security, we don't
just provide protection; we
build trust.**

Our mission is to protect your
people, assets, and property
with precision and care.

Whether it's around-the-clock
security or maintaining clean,
welcoming environments, we
tailor our services to meet your
unique needs.

***Welcome to iES Security
where people and
protection come first***

Why iES Security is your trusted partner

Tailored solutions for every client

We don't believe in a one-size-fits-all approach. We work closely with each client to understand their specific security needs, ensuring personalised solutions that deliver peace of mind.

Our people matter

Our team is at the heart of everything we do. With a mix of professionals, including ex-armed forces personnel, our security officers bring unparalleled expertise, reliability, and professionalism to every assignment.

24/7 UK Based Control Room and Rapid Response

Security is a 24/7 job. That's why our UK-based control room provides continuous monitoring and rapid response services, ensuring that any situation is handled swiftly and efficiently.

Certified for Excellence

iES Security is ISO compliant and adheres to BS standards, ensuring you receive the highest quality service, with total compliance and trust built into everything we do.

Security services tailored to your needs

At iES Security, we offer a wide range of customised security solutions designed to protect your business, people, and assets.

Static Security

Our trained security personnel are present around the clock, offering constant on-site protection for your property.

Event Security

From small corporate events to large public gatherings, our event security teams ensure that everything runs smoothly, safely, and without incident.

K9 Units

For high-risk or specialised security needs, our K9 units offer an additional layer of protection, providing rapid detection and response capabilities.

Concierge Security

Our concierge security professionals provide both hospitality and protection, ensuring your guests feel welcome while maintaining a secure environment.

Corporate Security

We offer customised security plans for corporate environments, protecting your employees, sensitive information, and assets.

CCTV Remote Monitoring

Our advanced surveillance solutions allow for continuous, real-time monitoring, ensuring immediate response to any potential security breaches.

Waking Watch Fire Marshals

Our Waking Watch Fire Marshals provide a trusted, reliable presence to monitor fire risks, swiftly respond to emergencies, and support safe evacuation procedures.

Retail & Store Security

Protect your retail space from theft and ensure a safe, welcoming environment for your customers and staff with our specialised retail security solutions.

Mobile Patrols

We provide dynamic security patrols, perfect for larger areas or multiple locations. Our patrol teams ensure your site is secure at all times.

Facility Management: Safe, Clean, and Welcoming Environments

*At iES Security, we don't stop at protecting your premises.
We ensure it stays clean, safe, and welcoming for everyone who steps inside.*

Commercial Cleaning

Keep your office or retail space spotless with our regular cleaning services. We handle everything from floors and windows to high-touch areas, ensuring your space stays pristine.

Secure Environment Cleaning

For sensitive environments like data centres, healthcare facilities, and high-security buildings, our vetted and trained cleaning staff handle your facility with care and discretion.

Industrial & Warehouse Maintenance

Our industrial cleaning services are designed to meet the specific needs of large-scale spaces, ensuring compliance with health and safety regulations.

Biohazard & Specialised Sanitation

We provide certified sanitization services for spaces requiring strict hygiene, ensuring safe and compliant environments for your team and customers.

Event & Post-Construction Cleaning

We ensure your facility shines with pre-event and post-construction cleaning services, preparing your space for any occasion or reopening.

Our Promise: Quality, Trust, and Dedication

At iES Security, we are committed to upholding the highest standards. We don't just meet industry requirements - we exceed them. We are ISO compliant and adhere to BS standards to ensure that we deliver quality in everything we do.

Whether it's through our sustainability practices, rigorous staff training, or our commitment to client satisfaction, we strive to build long-term relationships based on trust and excellence.

Waking Watch Fire Marshals - Ensuring 24/7 Safety

Why choose iES Waking Watch?

- Trained Fire Marshals: Experts in fire safety and evacuation protocols.
- Continuous Monitoring: Regular patrols to detect and mitigate risks.
- Evacuation Support: Coordinated assistance, including for vulnerable occupants.
- Compliance Assured: Fully aligned with fire safety regulations and NFCC guidelines.

Our services include

- Comprehensive Waking Watch Operational Procedure.
- 24/7 fire risk monitoring and emergency response.
- Safe evacuation procedures during incidents.
- Detailed weekly reporting for full transparency.

Our People

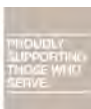

Our team is made up of highly skilled professionals who bring years of experience to every job.

Many of our security personnel come from armed forces backgrounds, adding discipline, leadership, and quick decision-making to our operations.

We invest heavily in their ongoing training and development, ensuring that they are always equipped with the latest tools and techniques to keep your business secure.

With iES Security, you're not just hiring a service - you're partnering with a team dedicated to your success.

**Skilled,
experienced
and ready
to serve**

Meet the team behind iES Security

At the core of iES Security is a team of skilled and dedicated professionals, from our leadership to our front-line security experts. Each member is committed to delivering innovative, client-focused solutions that exceed expectations.

MANAGING DIRECTOR

JOHN BAGNALL

With over 30 years of leadership experience, John Bagnall drives iES Security with a vision of innovation and a client-focused approach.

His dedication to excellence has established IES as a trusted partner for businesses across the UK.

Under his guidance, iES delivers tailored security solutions that provide clients with peace of mind and ensure the protection of their assets, people, and properties.

DIRECTOR OF SECURITY & RISK MANAGEMENT

MARK HUDSON

A former Detective Chief Inspector with more than 30 years of investigative and operational experience, Mark Hudson brings unparalleled expertise to IES Security.

His commitment to maintaining the highest standards of professionalism ensures the delivery of reliable and effective security services.

Mark's background in complex investigations and team leadership strengthens IES's capability to handle diverse security challenges with precision.

OPERATIONS DIRECTOR

BRENT WARDLE

Brent Wardle is a highly experienced Operations Director with a strong background in security management, compliance, and risk assessment. He oversees day-to-day operations, contract performance, and service delivery at iES Security, ensuring efficiency and regulatory compliance.

With expertise in health & safety, environmental compliance, and business development, Brent plays a key role in streamlining operations, optimizing processes, and supporting iES Security's growth strategy. His leadership ensures top-tier security solutions, seamless service execution, and client satisfaction.

COMMERCIAL DIRECTOR

MARK STAFFORD

Mark Stafford's extensive expertise in business development and strategic growth is integral to iES Security's success.

His focus on understanding client needs and developing tailored solutions drives long-term partnerships and client satisfaction.

Mark's ability to align business objectives with innovative security solutions ensures that iES remains a leader in the industry.

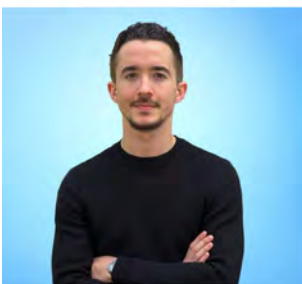

HR & OFFICE MANAGER

JAYNE MOORE

Jayne Moore oversees HR and office operations at iES Security, ensuring efficient administration, personnel management, and compliance. Her expertise in human resources and business support enables the team to deliver consistent, high-quality security services.

With a strong focus on organization and operational excellence, Jayne plays a key role in streamlining processes, supporting team performance, and enhancing client experience.

HEAD OF COMMUNICATIONS

MILAN JAIZANI

Milan Jaizani, BA (Hons) in Business Administration, leads client outreach, engagement, and internal communications at iES Security. As an AI business specialist, he brings high-level insights and streamlined efficiencies to enhance digital strategy and operational effectiveness.

With expertise in online channels, branding, and data-driven communication, Milan ensures clear, consistent messaging and supports business growth through innovative client engagement strategies.

Our Security Professionals

From static guards and mobile patrols to K9 units, our SIA-licensed security professionals are highly trained in protocols, customer service, and emergency response. Their dedication ensures a strong, approachable presence at every site.

**Let's talk about how
we can protect what
matters most to you.**

We're ready to help you secure your business
and ensure that your premises remain clean,
safe, and well-maintained.

Get in touch today for a free consultation and let us tailor
a security and facility management plan that meets your exact needs.
